

1991

Ignite Outreach began as **Birthright International** on Brandt Court in Easton, MD where a small group of women offered self-administered pregnancy tests and material aid.

← *Our History*

1995

Choices for Life Pregnancy Resource Center was formed in place of Birthright International and primarily focused on parenting education classes and community engagement.

2009

Choices for Life Pregnancy Resource Center closed for a full year in order to fast and pray to God for direction and a new vision to serve women in need.

2010

Choices Pregnancy Center opened with a new name and a new vision of serving women now as a medical center, now performing ultrasounds which gave women the opportunity to see their unborn babies.

2011

Choices moved to Teal Drive in Easton and officially opened as a medical center, performing pregnancy tests, ultrasounds, STI testing and treatment and counseling.

2020

Choices purchased the building at 505 Dutchmans Lane in Easton and added Abortion Pill Reversal to our list of services.

2025

Choices incorporated as **Ignite Outreach** to better serve women in our community and now provide prenatal classes, Boys2Men Bootcamp, fatherhood mentoring, and post abortion Bible studies.

For more than 30 years God has trained us and prepared us for such a time as this: to be on the front lines of the battle for life with an army of supporters behind us. All glory to God!!
